

Kindergarten - 4th Grade MULTI-MEDIA ASSEMBLY

What is Race Town?

Racetown is a character education assembly delivered by Sky Ranch Camps as part of our Powerone School Assemblies program. The assembly is delivered by one of our motivational speakers and includes a 35 minute multi-media presentation broadcast on our giant screen.

What issues does Race Town address?

The Race Town multimedia program is designed to address a variety of student issues including:

RESPONSIBILITY

HONESTY

TRUST

FAIRNESS

TRUTHFULNESS

CHARACTER

COURAGE

RESPECT

UNIQUENESS

After the multi-media program, one of our motivational speakers will talk to your students about developing a personal positive vision for their lives and how each of these issues can impact that vision. The speaker will also encourage students to become peer leaders and help lead other students towards positive behaviors.

Why is Race Town unique?

Race Town taps into student's interests by utilizing their culture to deliver the message. The program utilizes high quality animation based on children's fascination with cars and trucks. Race Town is based on nine animated vehicles such as Johnny (the speedy racer), Derek (the big 4x4 truck) and Cali (the cute little sports car), each with his or her unique personality! This assembly also offers the option to purchase a 12 volume DVD set called "Auto B Good" that explores three different character traits per DVD.

What will my school need to provide?

Sky Ranch will provide the motivational speaker and the necessary equipment for the assembly. Your school will only need to provide the venue (typically a gym or auditorium) and access to electrical outlets.

- SUMMER CAMP • POWERONE • RETREATS
- STUDENT LEADERSHIP CONFERENCES
- BLAST • OUTDOOR EDUCATION • UNDONE
